TO LISTEN TO YOUR CLIENTS OPINIONS

THE PROPOSAL :

The ability to listen to your clients is a key performance measurement element and an essential prerequisite to implementing corrective action.

Whether as part of a product launch where you want to mass survey your customers, whether through an annual satisfaction survey, or through specific customer surveys, we offer you suitable web or telephone solutions.

THE POSITIVE ELEMENTS OF THIS SOLUTION :

Telephone/online survey

Multilingual administration

Tailor-made questionnaire

Qualified analysis and benchmarking

THE STAGES :

- ❑ Complete analysis of your needs and proposal of a suitable solution
- ❑ Creation of a questionnaire and a telephone pitch / platform customised to your colours
- ❑ Administration of the survey via the most suitable channel for the project
- ❑ Analysis of results, feedback and recommendations
